Greetings!

This spring, April 2023, the association hired a new Executive Director, Laura Witte and therefore changed our business mailing address. All prior addresses are no longer in use.

Attached is an updated W-9 for your records. Please make the necessary changes in your business office. If this message has come to you in error, please forward it to the appropriate personnel.

A copy is also available on the ACET website.

Thank you for your continued support.

Best regards,
