POLICIES & PROCEDURES MANUAL

CREDITS & APPRECIATION

This manual was the idea of many ACET officers and members over the last decade and several groups of members worked on various versions of a manual during that time. In the Spring of 2023, a new group of past presidents, officers, and regional directors began work with the ACET Executive Director to review the various versions of the manuals that were never completed and to create an **ACET Policies and Procedures Manual** that would provide a written framework of guidelines and expectations for how the Association should and would be organized and run.

This manual is a living document that should be reviewed and updated annually as is necessary for it to be relevant and useful for the Association and its members. The Working Group of members worked on the manual from May-October 2023 and spent many hours reading, reviewing, editing, proofing and in virtual meetings discussing what must and should be included in the manual and came to a consensus of what is included in the manual that is being presented to the Executive Council for consideration.

The Working Group wants to thank all the members and authors of the previous iterations that were used as a basis for the current manual. While we do not have a list of all members who worked on the prior drafts of a manual the following names have been attributed to those documents: Dr. Jamie Bryson, Ms. Vickie Ansley, Ms. Mercedes Rassi, Ms. Eileen Lytle, and Mr. Robert Meaux.

The 2023 Working Group that dedicated many hours of their summer and early fall are as follows:

- Dr. Jamie Bryson
- Gilbert Rodriguez
- Brande Bass
- Eileen Lytle
- Cypris Potts
- Shirley Coleman
- Laura Witte

Dr. Mark Ybarra, ACET President for 2023 and past president of ACET reviewed the draft of the manual and along with a group of members reviewed the manual and made comments and suggestions prior to the manual being presented to the Executive Council to vote on its approval.

1. Preface

1.1 These manual outlines policies and procedures of the Association for Compensatory Educators of Texas (ACET)

1.1.1 Contained within this manual are all policies approved by the ACET Executive Council. Should any conflicts occur between governing documents, the following authorities will be followed in order:

- ACET Constitution
- ACET Policies and Procedures

1.1.2 ACET was established in 1974 and was designated as a non-profit tax-exempt organization (501(C)(3) in 1999. The ACET Mission and Vision are established in the ACET Constitution. The ACET logo has been established as double circles surrounding the outline of the state of Texas with the ACET letters inside the state vertically. The ACET colors are red, white, and blue. ACET's identity as an organization and branding includes everything included in this subsection. Therefore, any changes, additions, or variance from what has heretofore been established must be approved by the Executive Council by a majority vote.

1.1.3 These policies do not contain the rights or obligations of Members or any limitations to rights. These restrictions shall be stated in the ACET Constitution.

1.1.4 The terms Association and ACET are interchangeable within this manual.

1.1.5 These policies use the terms "shall" and "may." The term "shall" delineate a requirement while the term "may" indicate flexibility.

1.1.6 The manual contains pertinent information regarding ACET and its day-to-day financial operations and establishes standards and procedures to be applied when developing financial goals and objectives, making financial decisions, and reporting the financial status of the organization.

1.1.7 In addition, these procedures will provide guidelines to allow for an effective management of the Association's funds.

1.1.8 ACET is a 501(c) 3 nonprofit organization. ACET’s mission is to provide members with high-quality learning experiences and networking opportunities to ensure that all students achieve success.

1.1.8 The manual may be amended at any time by a majority vote of the ACET Executive Council.

A conflict of interest occurs when an Executive Council member, staff member, independent contractor or consultant has multiple interests which may influence the way in which they act or vote on the council or conduct themselves within the organization. The aforementioned cannot take advantage of his/her position. Key decisions made within the ACET should be made in the best interest of ACET and not their own interests.

2.3.2 Purpose

The purpose of this policy is to protect the interests of ACET by: (a) providing clear procedures and direction for the Association, (b) preventing the personal interest of the Officers, Executive Council, Standing Committee Members, Past Presidents, and Independent Contractors from interfering with their duties to the organization and (c) avoiding any unethical financial, professional, or political gain on the part of such individuals. The intent of this policy is to supplement, not replace, any applicable federal, state, or local laws regarding conflicts of interest.

2.3.3 Persons Concerned

This statement applies to Officers, Executive Council Members, Standing Committee Members, Past Presidents, and Independent Contractors who can influence the governance and actions of *ACET*. This includes anyone who makes financial decisions, the Executive Director and other independent contractors or individuals who have proprietary information regarding *ACET*.

Each officer is required to sign a Conflict-of-Interest Statement in October of each year or upon instatement in their position. The Executive Director is responsible for maintaining the records on the ACET server following the records retention policy. Officers cannot have a personal business affiliation, be employed or acting on behalf of any vendor that participates in a business relationship with ACET. - **Investigating Conflicts**
When a potential Conflict of Interest is disclosed, the Executive Director and current President will investigate the allegation and determine if there are facts that support the allegation. If there is documented evidence that can be corroborated, the information will be disclosed to the Council at a closed Special Meeting. If the allegation involves the current President, the President-Elect will work with the Executive Director on the investigation and preside over the Council meeting. The ACET Executive Council

will then provide the individual with an opportunity to disclose all material facts. The Executive Council will collect all pertinent information and question the involved parties. If it turns out that a conflict does not exist, the inquiry will be documented but no further action will be taken.

- **Addressing a Conflict of Interest**

If the Executive Council determines that a conflict of interest exists, they will take the appropriate actions to address the conflict. This may include (but not be limited to): (a) prohibiting any interested parties from voting on any matter related to said Conflict of Interest or (b) terminating the ACET position and/or terminating the contract with ACET. Affected parties both within and outside of ACET, including Executive Council members, and independent contractors, will be notified. If the Conflict of Interest in question involves a member of the Executive Council, that individual will be excused from deliberations.

- **Disciplinary Action**

All conflicts of interest will be reviewed on a case-by-case basis. The Executive Council has full discretion to decide what disciplinary action is appropriate and necessary for disclosed conflicts of interest.

- **Addressing Conflict of Interest**

If the governing officers reasonably believe a member or staff member failed to disclose an existing or possible Conflict of Interest, it shall inform the individual of the rationale for such belief and grant the individual an opportunity to explain the alleged failure to disclose the Conflict of Interest. After hearing the individual's response and investigating further as warranted by the circumstances, the Council may take appropriate disciplinary action, including removal from the position at the organization.

Every Officer, Executive Council Member, and any other Interested Person must sign a *Conflict-of-Interest Disclosure Statement* upon said individual's term of office, contract, or other relationship with ACET and must do so annually.
