

Dear Dana Boyer,

On behalf of the entire ACET team, thank you so much for your outstanding volunteer service at our spring conference. You truly went above and beyond.

From beautifully assisting with decorations, the social event, stepping in as a facilitator and helping wherever needed, your energy, flexibility, and positive attitude made a significant difference. Your willingness to jump in and support the team ensured everything ran smoothly and looked wonderful.

We are deeply grateful for your hard work and dedication. ACET Members like you made our ACET Spring 2026 conference a success, and we truly appreciate the extra care you brought to every task.

Thank you again, Dana. We couldn't have done it without you!

Warm regards,

*Brandee Bass*

*Thank you for making a difference!*
